BRAND LINES

You see the magic. We set the stage for it.

Sign-off line: Let's create extraordinary.
Supporting line: Spaces · Experiences · Together
Anniversary line: Twenty years of trust. Twenty years of growth. Twenty years of building experiences.

VOICE

A production house speaking to planners, families and corporate teams: calm, exact and confident. Lead with twenty years of craft and real capacity, not adjectives. Say "we build", "we light", "we power", "we stage" — never "we rent".

FACT SHEET

Legal name	Hamsalekha Event Production Pvt. Ltd.
Founded	2006, by Ramesh V (Founder & Managing Director)
Base	Kothanur, Bengaluru
Phone / WhatsApp	+91 99725 44316
Instagram	@hamsalekha.event.production
Capabilities	Lighting · Gensets 40–125 KVA · Truss & structures up to 1,00,000 sq ft · 10,000+ chairs (34 designs) · 1,100+ sofa units (61 designs) · Props · Signature sets

CONTENT RULES

- No prices anywhere on the corporate site. Pricing is shared only through itemised proposals.
- Design follows the catalogue site: navy #0B1F3A and gold #D4AF37, Playfair Display headings, Inter body.
- Every "Browse the Catalogue" link opens the catalogue site in a new tab.

Full-width event photo, navy overlay on the left

HAMSALEKHA EVENT PRODUCTION · SINCE 2006

You see the magic. We set the stage for it.

Lighting, power, structures, premium furniture and props for weddings, corporate events and celebrations — built, run and struck by one Bengaluru team for twenty years.

PLAN YOUR EVENT

BROWSE THE CATALOGUE

02 · NUMBERS STRIP

20 years	10,000+	1,100+	1,00,000	40–125
Building events since 2006	Chairs across 34 designs	Sofa units across 61 designs	Sq ft of trussing capacity	KVA gensets on call

03 · INTRODUCTION

An event production house, not a rental counter.

Most suppliers hand over furniture at the gate. We arrive before the decorator and leave after the last guest. The lights on the mandap, the power behind them, the truss overhead, the stage and every chair all come from one warehouse and one crew.

That is what twenty years in Bengaluru has built: the inventory to say yes, and the people to deliver it.

06 · STORY TEASER

Split: archive photo left, copy right

2006 — 2026

Built one event at a time.

Hamsalekha began in 2006 with general lighting, prepared inside a family home by a team of two or three. Twenty years later, the same belief drives every build: keep moving forward, and let one opportunity lead to the next.

Read our story →

07 · BEHIND THE BUILD

Everything you don't see is ours too.

Load-ins before sunrise. Truss raised and checked. Gensets running before the first guest arrives. Our crew owns the backstage, so planners and families can stay out front.

Own warehouse · Own crew · Own power

08 · WHO WE WORK WITH

Wedding planners & decorators
Deep inventory, dependable timelines and a crew that builds faithfully to your design.

Families
One partner for light, power, stage and furniture, so nothing falls between vendors.

Corporates & agencies
Conferences, launches, award nights and dealer meets delivered to brief and schedule.

Venues & convention centres
A production partner that has worked Bengaluru's halls and grounds for two decades.

PAGE 02

About — Our Story

URL: /about

01 · HERO

OUR STORY · 2006 — 2026

Twenty years.
Built one event at a time.

In 2006 there was no twenty-year plan. There was a dream of building something of our own, a willingness to work hard, and the belief that one opportunity would lead to another.

02 · IT BEGAN AT HOME

Hamsalekha was founded by Ramesh V in 2006. The work started with general lighting — for convention centres, festivals, roads and events.

The first workspace was not a warehouse or a corporate office. It was home. Equipment was prepared there, work was planned there, and with two or three people, the foundation of Hamsalekha was quietly laid. Colleagues who had worked with Ramesh before came forward to support the new beginning.

Before the first year was out, Hamsalekha moved into its own office and warehouse in Kothanur. The journey had begun.

03 · LIGHTING BECAME LIGHTING AND POWER

In 2007, a new client need became a new opportunity: generators joined the business, and Hamsalekha could now provide lighting and power together.

Through 2008 and 2009, the company found its place in Bengaluru's events industry, working across convention centres and event productions and earning trust one project at a time. Events at venues such as Eden Gardens at Palace Grounds brought furniture, lighting and gensets together for the first time — and with every event, the possibilities grew.

04 · STRUCTURES, THEN FURNITURE

In 2010, truss entered the story. Lighting and power became lighting, power and structures. In 2013 came Hamsalekha Furniture — chairs, tables and event furniture that made the company a complete event-support partner.

None of it was growth for its own sake. The industry asked for more, clients trusted Hamsalekha with more, and Hamsalekha kept finding ways to deliver more. In 2017, a new generation of the family joined the business.

05 · THE PAUSE THAT BECAME A TURNING POINT

In 2020, an industry built on people coming together came to a standstill. Events stopped, celebrations paused, and uncertainty surrounded everyone.

Hamsalekha decided that a pause did not have to mean standing still. Those months became a time to study what premium events would demand next — better design, better quality, better presentation. That thinking opened the door to premium and imported furniture.

> *What could have been the most difficult chapter in our history became a turning point.*

06 · RAISING THE BAR

From 2022 onwards, Hamsalekha kept raising the bar across furniture, truss, lighting, gensets and props, and became increasingly known for premium furniture and high-quality truss and structures.

In 2026, as we celebrate twenty years, we unveiled The Glass House — South India's first-of-its-kind glass theme set, and a sign of where Hamsalekha is going next.

07 · JOURNEY TIMELINE

Horizontal scrolling timeline on desktop, vertical on mobile

2006	Founded by Ramesh V with general lighting; within the year, first office and warehouse in Kothanur
2007	Gensets added — lighting and power together
2008–09	Convention centres and event productions across Bengaluru; Eden Gardens at Palace Grounds
2010	Truss and structures added
2013	Hamsalekha Furniture launched
2017	The next generation of the family joins the business
2020	A pause becomes a turning point: premium and imported furniture
2022	Recognised for premium furniture and high-quality truss and structures
2026	Twenty years — The Glass House unveiled

08 · FOUNDER

Ramesh V — Founder & Managing Director

Ramesh V started Hamsalekha from his home in 2006 with lighting equipment and a small, loyal team. Over two decades he has grown it into a complete production house — adding power, structures, furniture and premium collections, each time because clients asked for more and he found a way to deliver it.

09 · WHAT WE BELIEVE

Growth follows trust
Every new service began because a client trusted us with more.

Own the backstage
Light, power, structures and crew stay in-house, so accountability does too.

Serve the design
The planner's vision leads. Our job is to build it faithfully.

Respect the occasion
Weddings, pujas and milestones carry meaning. We work with that care.

10 · OUR PEOPLE

Behind every light switched on, every structure raised, every chair placed and every event delivered, there have always been people. People who believed. People who stayed. People who worked when nobody was watching.

Many of our crew have been with Hamsalekha for years, and their contribution is part of every chapter of this story.

11 · CLOSING

Twenty years of trust. Twenty years of growth. Twenty years of building experiences.

Hamsalekha — 2006 to 2026. The journey continues.

TALK TO OUR TEAM

PAGE 03

Services

URL: /services

01 · HERO

WHAT WE DO

One team. Every layer of your event.

Book one service or all of them. Either way, it comes from our warehouse and is installed by our crew.

02 · LIGHTING

Since 2006

Light that sets the mood.

Lighting is where Hamsalekha began, and twenty years later it is still at the heart of what we do. We light for the room and for the camera: warm washes on a mandap, crisp stage lighting for an award night, festoon canopies for a mehendi.

- Architectural and ambient lighting, uplighting and festoons
- Chandeliers and decorative fixtures
- Stage, concert and conference lighting
- Lighting for convention centres, festivals, roads and outdoor events

Plan your lighting →

03 · GENSETS & POWER

Since 2007

Power that never blinks.

Our gensets, from 40 to 125 KVA, keep every light, sound desk and kitchen running. They arrive with our own operators and a power plan built for your event.

- Silent gensets from 40 to 125 KVA
- Power distribution and cabling
- Fuel planning and backup for the full event
- On-site technicians from setup to strike

Plan your power →

04 · TRUSS & STRUCTURES

Since 2010

Structures engineered to hold the moment.

We raise Bombay truss, pagodas, stages, ramps and backdrops across venues up to 1,00,000 sq ft. Every structure is planned and rigged by our own team before a single guest walks beneath it.

- Bombay truss and aluminium truss grids
- Pagoda tents and hangar structures
- Stages, ramps, risers and catwalks
- LED wall and backdrop framing; rigging for lighting, sound and decor

Talk to our structures team →

05 · PREMIUM FURNITURE

Since 2013 · Imported collections since 2020

A seat for every occasion.

More than 10,000 chairs across 34 designs and over 1,100 sofa units across 61 designs. Royal carved seating for the mandap, imported lounges for a cocktail night, banquet seating for thousands.

- Imported and designer chairs, sofas, lounges and ottomans
- Stage and couple seating, thrones and mandap furniture
- Dining, banquet, cocktail and conference tables
- Bars, counters, consoles and display furniture

BROWSE THE FULL CATALOGUE ↗

06 · DECOR & PROPS

The details guests remember.

Mandap props, entrance gates, traditional brass and themed installations. We work alongside your decorator or style the space end to end.

- Mandap and stage props, arches and entrance gates
- Brass, deepas, urulis and traditional decor
- Photo zones and lounge styling
- Signature sets, including The Glass House and MoonGate

See Signature Sets →

07 · FULL EVENT PRODUCTION

Hand us the brief. We'll hand you the event.

For clients who want one accountable partner, we take on the whole build: site recce, layout, lighting, power, structures, furniture, decor coordination, crew and strike.

- Site recce and technical layouts
- One production lead from brief to strike
- Coordination with your planner, caterer and sound team
- On-site crew throughout the event

Weddings & receptions · Sangeet, mehendi & haldi · Engagements · Pujas & housewarmings · Corporate conferences · Product launches · Award nights · Dealer meets · Exhibitions · Festivals & cultural events · Birthdays & anniversaries

09 · WHERE WE WORK

Based in Kothanur, Bengaluru, and delivering events across the city and beyond.

PAGE 04

Signature Sets

URL: /signature-sets

01 · HERO

SIGNATURE SETS

Sets you won't find anywhere else.

Designed and built by Hamsalekha, our signature sets turn a venue into a destination.

02 · THE GLASS HOUSE

Launched 2026

SOUTH INDIA'S FIRST-OF-ITS-KIND GLASS THEME SET

A new canvas for extraordinary celebrations.

The Glass House is a walk-in glass structure set inside your venue or on an open lawn. By day it fills with natural light. By night it glows like a lantern, lit from within and visible from every corner of the event.

It was created for moments that deserve to be framed: a sangeet stage, a reception lounge, a couple's entry, a luxury brand launch. Launched in our twentieth year, it is the clearest expression of where Hamsalekha is headed.

Best for

Receptions · Sangeets · Cocktail evenings · Pre-wedding shoots · Brand launches · Private dinners

Comes with

- Styling with our premium furniture and lighting, or your decorator's design
- Installation, power and on-site support by the Hamsalekha crew

ENQUIRE ABOUT THE GLASS HOUSE

03 · MOONGATE

An entrance worth waiting for.

MoonGate is our circular arch set: a full-moon frame for entries, stages and photo moments. It turns a walkway into a threshold and gives every guest the photograph they came for.

- Works as an entrance, a stage backdrop or a couple's frame
- Pairs with our lighting for a glowing night-time halo

ENQUIRE ABOUT MOONGATE

04 · CUSTOM SETS

Want a set built around your story?

Our team designs custom structures for weddings and brands, bringing together our truss, lighting, furniture and props into one set.

START A CUSTOM BRIEF

PAGE 05

The Vault

URL: /the-vault

01 · HERO

THE VAULT

Scale is our quiet advantage.

Twenty years of inventory, one warehouse and a crew that has done this thousands of times.

02 · INVENTORY AT A GLANCE

CATEGORY	CAPACITY
Chairs	10,000+ across 34 designs
Sofa units	1,100+ across 61 designs
Trussing	Up to 1,00,000 sq ft
Gensets	40 to 125 KVA
Lighting, tables & props	Full ranges for weddings, corporate events and festivals

03 · THE WAREHOUSE

Everything under one roof.

Lighting, power, structures, furniture and props are stored, prepared and dispatched from our warehouse in Kothanur, Bengaluru. When stock sits in one place, planning is faster and nothing is left to chance.

04 · THE CREW

People who stay until the last piece is loaded.

Riggers, electricians, genset operators, carpenters, drivers and site supervisors — our own team, not subcontractors. Many have grown with Hamsalekha for years, and they carry that experience into every load-in.

05 · HOW WE PROTECT YOUR EVENT

- Structures planned and rigged by our own team before guests arrive
- Gensets run and fuel-planned with backup for the full event
- Power distribution handled by our technicians
- A site briefing before every build

06 · CLOSING

See the scale for yourself.

Planners, decorators and corporate teams are welcome to visit the warehouse by appointment.

How We Work

URL: /how-we-work

01 · HERO

OUR PROCESS

From first call to final strike.

Five stages, one team and no surprises on the day.

01	02	03	04	05
Brief	Recce & Plan	Proposal	Build	Show & Strike

02 · BRIEF

Tell us the date, venue, guest count and the feeling you want to create. Share your planner's or decorator's moodboard if you have one. We listen first.

03 · RECCE & PLAN

We visit the venue, measure the space, check power and access, and draw the layout: lighting, genset placement, truss, stage and seating.

04 · PROPOSAL

You receive a clear, itemised proposal listing every piece, quantity and timeline. Choose from the catalogue or let us curate, and revise until it is right.

05 · BUILD

Our crew loads in to schedule, raises structures, lights the space, places furniture and tests power. Your site lead walks the venue with you before handover.

06 · SHOW & STRIKE

Technicians and crew stay through the event. When the last guest leaves, we strike cleanly and return the venue the way we found it.

07 · CLOSING

Ready for step one?

05 · FAQ

Accordion below the form

Do you only supply furniture, or do you produce full events?

Both. Book a single service — lighting, a genset, truss or furniture — or hand us the full production.

How far in advance should we book?

For peak wedding season and muhurta dates, the earlier the better. For smaller events, call us — if the stock is in the warehouse, we'll find a way.

Can we see the furniture before booking?

Yes. Browse the full catalogue online, or book a warehouse visit to see pieces in person.

Do you work with our planner or decorator?

Always. Much of our work is alongside planners and decorators; we build to their design and coordinate directly with their team.

How is pricing worked out?

Every event is quoted to its brief — items, quantities, venue, duration and logistics. Share your details and we'll send an itemised proposal.

Do you provide power backup?

Yes. Our gensets run from 40 to 125 KVA and come with our own operators for the whole event.

How large an event can you handle?

With over 10,000 chairs and trussing up to 1,00,000 sq ft, large weddings, conferences and festivals are well within reach.

Can you create a custom set for our event?

Yes. We design and build custom structures — it's how The Glass House and MoonGate began.

---
