WHAT WE DO

Six Verticals. One Seamless Experience.

Since 2006, Hamsalekha has defined standard-setting event production. Explore our six core capabilities engineered for Bangalore's most prestigious cultural, wedding, and enterprise assemblies.

LIGHTING

Setting the Mood, Commanding the Room

Exceptional lighting is the heartbeat of visual dramaturgy. Our state-of-the-art inventory of intelligent lighting fixtures is curated to sculpt dimensions, paint atmospheres, and coordinate perfectly with every critical cue of your itinerary.

- Premium PAR-64 LEDs, high-output beam moving heads, and profile spots
- Architectural building washes and elegant foliage lighting profiles
- Professional Avolites & grandMA control consoles for zero-latency execution
- Experienced lighting designers to draft custom pre-visualization scenes

POWER DISTRIBUTION

Silent, Reliable, Always On

Power is the silent foundation of event success. We guarantee bulletproof uptime with India's most modern fleet of soundproof green generator sets and robust, certified cabling. No brownouts, no sound interference, just flawless energy.

- Eco-friendly, ultra-silent diesel gensets ranging from 125kVA to 500kVA
- Dual-redundant AMF panels with auto-synchronized power backup loops
- Heavy-duty weatherproof distribution boards and heavy-gauge copper wiring
- On-site certified electrical engineers monitoring load distributions in real-time

TRUSS & STRUCTURES

Engineering the Framework of Imagination

Elevate your stage sets with confidence. Our heavy-duty load-tested aluminum trussing and rigging solutions are certified to safely suspend massive visual arrays, grand flower chandeliers, and custom overhead artwork.

- High-grade international standard silver and black box aluminum trussing
- Ground support towers, goalposts, circular trusses, and roof canopy systems
- Certified overhead hoist motor rigs and safety arrest systems
- Wind-load and structural integrity analysis before every assembly
